The Black Pearl Distillery are here to guide you through the process and ensure a seamless experience.

Here's a step-by-step guide to owning a Rum/Whisky cask with The Black Pearl Distillery.

Sourcing Rare Rum/Whisky Casks

At PDL, we leverage our industry connections to source rare rum/whisky casks at trade prices. This allows us to provide our investors with exclusive access to limited edition expressions and sought-after whiskies, maximising the investment potential.

We take pride in our meticulous selection process, ensuring that we handpick only the finest rum/whiskies for our investors. Our focus lies in sourcing exceptional Renegade Rum/whiskies such as Highland Park or Laphroaig, renowned for their outstanding quality and unique characteristics. Most of our casks are ex Bourbon, chosen for their ability to enhance the rum/ whisky's flavours. We have had the privilege of acquiring exceptional casks that were previously used to mature sherry or red wine barrique.

These casks add a delightful complexity and depth to the maturing rum/whisky, creating a truly remarkable investment experience for our discerning clientele.

Verifying Your Details

Once we have agreed on a rum/whisky cask investment proposal, we will require you to provide AML (Anti-Money Laundering) documents to verify your details. This step ensures compliance with regulatory requirements and helps safeguard the integrity of our transactions.

Invoice and Payment

Upon successful verification, we will send you an invoice for the agreed-upon investment amount. Payment is typically made via bank transfer to ensure a secure and transparent transaction process.

Certificate of Ownership

After payment is received, you will receive a certificate of ownership for your rum/ whisky cask. This certificate includes important details such as the cask number, cask location and this confirms your ownership rights.

Upon request, we can provide you with an Acknowledgement of Ownership of the cask from the warehouse. This document further solidifies your ownership and acts as additional proof of your investment.

Exceptional Insurance and Storage

When you purchase a rum/whisky cask from PDL, we provide 10 years of insurance and storage as part of our pricing. Your cask will be securely stored in a HMRC bonded warehouse, offering optimal conditions for maturation and peace of mind.

Full Naming Rights

Unlike most firms in the UK offering similar services, all rum/whisky casks sold by (PDL) come with full naming rights for the rum/whisky when it is eventually bottled. This is why we will purchase the cask back from you in the future unless you decide to sell at auction or work with you to bottle your Rum/Whisky.

The value of your whisky cask is directly related to the spirit's name of the rum/ whisky inside that cask and also the age.

Contact Us

We would be happy to discuss your requirements or alternatively, send you a proposal based on your budget and an ideal length of hold.
